Dear Sir/Madam

RE: CASE OPEN, by Harold Weisberg

I recently received a copy of CASE OPEN from Harold Weisberg whom I know well through a correspondence spanning several years. I share Harold's interest in the JFK assassination though I confess to only a tiny fraction of the knowledge Harold has acquired over many years of researching and writing and teaching this subject.

I believe Harold has told you that I reviewed Gerald Posner's CASE CLOSED for the largest circulation daily newspaper in New Zealand, The New Zealand Herald. I would happy to review CASE OPEN for the same newspaper when it becomes available in NZ. I certainly hope it is your intention to release CASE OPEN in New Zealand as next year I will be teaching a course on the JFK Assassination at Auckland University and I intend making CASE OPEN required reading for my students.

I was not able to establish by phoning some of the main NZ publishing houses based in Auckland just who would handle distribution for Carroll and Graf in New Zealand. Can you help supply me with this information?

I look forward to hearing from you.

Yours faithfully

Dal McGuirk

Harold, I'll let you know
how they respond to this!
